Dear Michelle,

We would like to express our genuine appreciation for your contribution to the 2007 Washington State Farmers Market Association *Harvesting Change* conference held in Ellensburg on January 20th and 21st. The knowledge and experience you were willing to share with our conference participants regarding fundraising and development is invaluable to our organization. Without the involvement of well-versed, enthusiastic speakers like yourself, our intent to provide an interesting and memorable conference experience could certainly not be realized. Thank you for your support; we wish you the best of luck and hope to work with you again in the future.

Sincerely,
